

BUDGET PRICES FOR INTERPRETATION PANELS

Please visit www.shelleysigns.co.uk for more details or email sales@shelleysigns.co.uk

SIZE: Prices below are for our most popular sizes of A3, A2, A1 and A0, with A1 being the most popular size for interpretation panels. The guide shows each size with the number of A4 sheets. Please contact us if you need prices for other sizes or a formal quote.

420 x 297mm

594 x 420mm

841 x 594mm

1189 x 841mm

ARTWORK: Each example below is priced assuming that artwork is supplied by yourselves electronically, details at this [link](#). Shelley have a full in-house design team and guideline prices are given in the Artwork Options section overleaf—more details can be found at the [Shelley design](#) link.

PRINTING: Our Mimaki printer will enhance your design with excellent print quality, crisp text and bright, vibrant reproduction of photographs, watercolours and images. This high quality print is supported by a 10 year warranty against fading on the GRP option. It offers eco-friendly printing with zero VOC emissions and little wastage.

MATERIALS: Our Encapsulated Glass Reinforced Plastic (GRP) signs are designed for use in public open spaces. They offer exceptional outdoor durability and colour fastness. The finish allows graffiti to be easily cleaned while water ingress is not a problem. Laminated Dibond is available as an economy option and can be priced on request.

FINISHING: A selection of popular frame structures are priced below - please also refer to the attached Framing Options page for more detail, or download from this [link](#). Other framing options can be priced on request.

HOW TO ORDER

For most clients we prepare a formal quotation – this will cover information about size, quantity, who is preparing artwork and what fixings are required. You can email this information or call us on 01743 460996 to discuss. We can accept instructions to proceed by email and normally raise an invoice when the signs have been despatched.

L4. A well designed interpretation panel with an oak frame in keeping with the environment.
